EXPLANATORY NOTE

This document can only be reproduced in full ; it only concerns the submitted sample.
When the laboratory has not been responsible for sampling, the results are applied to the sample as received.
Results have been obtained and reported in accordance with our general sales conditions available on request.

Only results for which a specification or a standard is quoted are taken into account during interpretation.
In order to declare conformity to existing regulations or customer specifications, the uncertainty associated with the result will be added or removed in such a way that the result can be interpreted in any case regarding the specifications or regulations in force. It will not be taken into account in case of standards which already incorporate the measurement uncertainties.
The uncertainties of the results have been calculated (for K=2, with a coverage probability of 95%), and are available to the customer.
The tests are identified by a five-digit code, their description is available on request.

The tests identified by the two letters code DJ are performed in laboratory Eurofins Vitamin Testing Denmark A /S. The symbol (a) identifies the tests under accreditation DS EN ISO/IEC 17025 DANAK 581.
